Nafpaktos as a choice

## Nafpaktos as a choice

A uniquely charming town, with a rich cultural heritage and unparalleled natural beauty, the hospitable Nafpaktos offers a plethora of attractions and hosts international events and meetings throughout the year.

A nearby destination for international conferences that uniquely combines the mountain with the sea.

# Lepanto castle

Its Castle, one of the best preserved examples of medieval fortress architecture, is perched just above the town, at an altitude of 200 m.

The visitable fortress is pristinely preserved.

*Through the Greek-American brotherhood, Nafpaktos has significant international business activities*

*The local community also enjoys strong relations with leading universities and organisations*
